

## Small Public Address System

Single Zone Desk Top

Microphone - 2571/040

### Features:

- Suitable for passive or electronic access amplifiers
- Microphone incorporates speech blast screen
- Soft touch press-to-talk button with minimal noise transfer
- All steel construction, weighted base, finished in scratch and chip resistant powder coat paint
- Anti-slip feet - the microphone will not scratch or mark the desk/console
- Fitted with a moving coil microphone capsule, perfect for most amplifier input sensitivities. For less sensitive amplifiers an electret version is available; requires DC powering from host amplifier
- 2.5 metre lead (free end)

### Ideal for applications

- Shops
- Offices
- Garages
- Transport terminals

### 2571/040 - Single Zone Desk Top Microphone

The simple but robust microphone features a gooseneck mounted microphone well known for its voice clarity in almost any operating environment.

Used in all our system packages for your "off the shelf" Public Address solution

# Single Zone Desk Top Microphone - 2571/040

DATA SHEET
